

Wye Valley Warfare treats the health and safety of all players as a priority. As with any active sport, there are hazards associated with playing. All players must sign this Declaration and attend our safety talk. Agreement to participate is agreement to comply with our Terms and Conditions of Use.

We recommend that you wear old long trousers and a long-sleeved top and fastened trainers/hiking boots/stout shoes, and bring spare clothes to change into afterwards.

PLAYER'S DECLARATION

I understand that:

- Laser Ops games are physically and mentally intense and it is possible that extreme exertion can result in personal injury or damage to my clothes;
- The Battleground is an outdoor natural environment where I risk slipping, tripping and weather effects, and where I can expect natural hazards which may soil clothing and include allergens, plant debris, thorns, and nettles;
- Adrenalin from playing may impair my judgement and mask fatigue, possibly affecting my behaviour and ability to drive safely afterwards;
- I must take care to ensure that I do not injure myself or others;
- Physical contact is prohibited and I must behave respectfully at all times.

I confirm and agree that:

- I am aware of risks to myself and others participating in the sport;
- I am physically and mentally able to take the strain and exertion involved;
- I have taken care to ensure that no pathological condition will be aggravated by my participation (tell the Marshal if you use e.g. an inhaler);
- I will comply with all rules and terms and conditions of use and instructions from Centre Staff, using equipment as instructed and with due care.

Please print clearly in CAPITAL LETTERS

Name: _____ Date of Birth: _____
 Address: _____ Tel No.: _____
 _____ Email: _____

 Postcode: _____ Date: _____
 Signed* : _____ [Control Number: _____]

*The signature of a parent, guardian or Group Leader is required for any player under 18 years old. The minimum age for this activity is 8 years old. The Company may record customer information on a database and take and use images of users of the premises.
